ABOUT US

Ignited by the passion to convert a dream into a reality Veer Overseas Group was started by our forefathers in 1970 from a small factory in the suburb of Haryana to now becoming a Company having global reach.

Since its inception, the company had witnessed a high growth rate reaching to a becoming a INR 6 Billion group with diverse interests. In the coming years the company plans to enter into segments like Coffee, Wheat, Pulses etc. while still having a strong foothold in the markets of Tea, Basmati Rice and Non-Basmati Rice.

In the past few decades, the company has highly invested on latest technology equipments, maintaining quality control standards, warehousing facilities, procurement process and other various areas to make it the first choice for major Global organizations coming to India.

Customer satisfaction being our major forte, we have clients working with us for more than decades now. We are proud to emerge as one of the largest exporters from India.

Our Team at Veer Overseas are professionals having great experience in the food & beverages industry. The team is highly appreciated for working in unity towards timely delivery of the products. Professionals at all the levels of the company work hard and with their utmost dedication assuring to deliver the finest quality product to its customers.
